sure but more like a throwback Thursday item...we opened on First Thursday that year.

I'm looping in Sharyl who has many FB postings you can repost, like the Wayne Kramer (MC5) event on Friday night.

Ziggy,

We just posted your events for tomorrow. Let's see how it goes. BTW, when we first posted your event, it did better on Instagram posting than the FB posting.

This video will be put up shortly.

Also, we use GotPrint.com for our printing. It's cheaper than others but it takes longer and it's not convenient to pick up as they are located in Burbank.

Lorena,

I just sent the program book to the printer.
Wondering who you use for the 10,000 flyers you guys had made for Dias. Would you recommend them. Trying out local printers...

Let me know if PBID is promoting SPIFF on social media at all and how, so I can adjust the logo accordingly on our website and we promote our sponsors our SM.

We are doing spots on KPCC, KPFK, KJaz, LA Weekly OC Weekly, The Wrap which goes out to 450,000 film industry emails alone. We must be one of the top five events that promote San Pedro!

Thanks,

Ziggy
